Kiwanis Year 2006 - 2007

Dear Prospective Member,

Kiwanis is a global organization of volunteers dedicated to changing the world, one child and one community at a time. The focus of Kiwanis is on youth with many projects sponsored under its "Young Children Priority One" program. An hour of your time can create a lifetime of opportunities for a child in our community.

Last year, our club returned over \$13,500 to the community under our community service programs and projects. Some of the recipients included The Victor-Farmington Food Cupboard, Serenity House, the Victor Library, Golisano Children's Hospital and five scholarships awarded to graduating seniors from Victor High School.

For several years, the Farmington-Victor Kiwanis Club has sponsored a Key Club for high school students and a Builders Club for junior high students at Victor Central School. These clubs provide their members with opportunities to develop leadership and organizational skills while teaching the value of volunteering.

Membership in Kiwanis is open to men and women who desire personal involvement in improving the quality of life in our community. Please join us for a complimentary breakfast. Our meetings are held every Friday morning from 7-8 AM at the Hampton Inn on Route 96 in Victor. A member of the membership committee will contact you personally to extend an invitation to join us for a meeting, meet our members and answer any questions that you might have about the club and its programs.

The Farmington-Victor Kiwanis Club continues to improve its programs and projects that address the needs of the residents of Farmington and Victor. The club has provided 21 years of service to the community. New members bring fresh ideas and help us to develop new projects and/or programs.

Please review the materials enclosed in the prospective member packet. If you have any questions contact Leo Fisher at 924-7526 or Bill Hagerman at 924-7020.

Sincerely,

Bill Hagerman  
President  
Farmington-Victor Kiwanis

Leo Fisher  
Membership Chairman
